

## Local Notices to Mariners

<b>LNTM No.</b>	008/2016
<b>Subject</b>	<b>Cruise Ship – Security/Safety Zone</b>

In the interests of safety and security a safety zone will be established around cruise ships manoeuvring and at anchor in the Little Russel.

Vessels in the Little Russel are requested to give the cruise ships a wide berth, approaching no nearer than **200m**. Vessels should only enter the zone for collision avoidance, to avoid immediate danger or with prior authorisation.

An example of a 200m zone
