

Bailiwick of Guernsey

Local Knowledge Endorsement

1.0 Background

The Merchant Shipping (Commercial Vessels) (Safety and Manning) (Bailiwick of Guernsey) Regulations, 2017 and the corresponding Bailiwick of Guernsey Small Commercial Vessel Code require that domestic commercially operated vessels are manned in a safe and competent manner.

In order to evidence the competence of such crews, a system of Bailiwick of Guernsey (BoG) Local Knowledge Endorsements (LKEs) has been introduced.

The Merchant Shipping (Commercial Vessels) (Safety and Manning) (Bailiwick of Guernsey) Regulations, 2016 and the corresponding Bailiwick of Guernsey Small Commercial Vessel Code only has legal force within the territorial waters of the Bailiwick of Guernsey, therefore the Local Knowledge Endorsement (LKE) is seen as providing evidence that the licence holder has an acceptable knowledge base of Bailiwick of Guernsey waters so that they can navigate the vessels under their control safely. This licence also requires the holder to be aware of what is required of them to ensure the safety of their vessel and persons on board.

A Copy of the Code can be found on Guernsey Harbours web site [X]

A copy of The Merchant Shipping Regulations can be found at [X]

A Bailiwick of Guernsey LKE, when issued, will have the following endorsements and conditions attached to it.

1. Endorsements

- a. Limitations on the area of operation
- b. Limitations on size and type of craft licence holder permitted operate commercially
- c. Grade of Boatmaster licence

2. Conditions

- a. That all requirements of the Bailiwick of Guernsey Small Commercial Vessel Code are abided with in relation to the craft being operated.
- b. That all requirements of shipping legislation are abided with.
- c. That the requirements of any other domestic legislation, including employment and environmental legislation and approved codes of practice are complied with.

2.0 Application for a Local Knowledge Endorsement

2.1 Making an application

Prior to an application being accepted, the applicant must provide the following.

- Completed application form, (see annex 1 to this document)
- Medical fitness certificate (ENG1 for category 1 & 0 otherwise ML5)
- Payment for examination (published in Commercial Charges)

A person wishing to obtain a BoG LKE will be required to present themselves at the Harbour Office at an arranged time at which time they will be questioned on safe navigation of their vessel whilst in the area of operation being applied for.

A person may apply for LKEs for different areas of operation on separate occasions.

3.0 Expected Standards of Knowledge

The following table details the exact requirements of local knowledge, specific to the area/route the LKE is being issued for.

3.1 Summary of applicable parts

The following table summarises the relevant subjects applicable to the area (s) of operation for each part of the LKE syllabus.

Part	Area/Route of Operation			
	Gsy to Herm	Gsy south coast	Gsy to Sark	All Bailiwick waters
Part A	A1	A1	A1	A1
Part B	B1 to B24	B1 to B24	B1 to B24	B1 to B24
Part C	C1 to C31	C1 to C9	C1 to C26 & C32 to C37	C1 to C50
Part D	D1 to D15	D1 to D5	D1 to D17 plus Sark pilotage ¹	D1 to D23
Part E	E1 & E2	E1 & E2	E1 & E2	E1 & E2
Part F	F1 to F7	F1 to F4	F1 to F7	F1 to F7
Part G	G1 to G26	G1 to G11	G1 to G24	G1 to G29
Part H	H1 & H2	H1 & H2	H1 & H2	H1 & H2
Part I	I1 to I5	I1 to I5	I1 to I5	I1 to I5

¹ Sark pilotage shall be undertaken and arranged by the applicant direct with the Sark Pilotage Committee. Confirmation of successful completion of the Sark Pilotage Examination is required before the LKE will be issued.

3.2 Local Knowledge Endorsement Syllabus

The following table details the standards of local knowledge applicable to the relevant Boatmaster Licence and area of operation.

Any Boatmaster licence will detail the grade and area (s) of operation the holder is permitted to operate.

Ref	Subject	Area of Operation
