IMPORTANT INFORMATION:

APPLICABLE TO PORT/MARINE TRADER/FISHERMAN PERMITS

Permits are only valid whilst the driver of the vehicle is 'on duty' at the harbour or 'at sea'. They are not valid when used by a person other than the named driver, eg a member of the driver's family.

APPLICABLE TO ALL PERMITS

- Parking is only permissible in the marked bays specific to your permits. Use of permits in any other designated parking areas will result in Fixed Penalty tickets being issued. Non display of a valid permit in the relevant designated parking area will also result in Fixed Penalty tickets being issued.
- The registration number displayed on the permit must correlate with that of the vehicle.
- Permits re-issued due to change of vehicle registration; please note that we require receipt of the invalid permit before a replacement is re-issued.

Reported abuse of permits will result in the permit being rescinded.

• Port Parking
