

## Local Notices to Mariners

<b>LNTM No.</b>	007/2019
<b>Subject</b>	<b>Little Russel - Survey</b>

The survey vessel ***Aquadynamic*** will be conducting survey work in the Little Russel from **2<sup>nd</sup> May 2019** for approximately one week.

The survey work will involve a combination of drop down video (DDV), sediment collection via grab deployment as well as water quality and acoustic monitoring.

The survey will include Havelet Bay and Belle Greve Bay.

Mariners are to give ***Aquadynamic*** a wide berth.
