LNTM No.	006/2021
Subject	COVID-19 - Diving in Bailiwick Waters

Due to the on-going COVID-19 Pandemic and the possible lack of availability of the hyperbaric chamber due to staffing levels at the hospital, all diving activity within Bailiwick waters (both pleasure and commercial), is strongly discouraged until further notice.

Emergency, commercial diving operations may take place but must be authorised by the Harbour Authority (via the Duty Harbour Master), prior to commencement of the dive.
