

Local Notice to Mariners

LNTM No.	025/2021
Subject	QE2 Marina – Gates Survey

From **Monday 24 May 2021** Guernsey Harbours will be undertaking maintenance and survey works on the QE2 marina gates and adjacent marina walls.

All works will be undertaken during the periods of low water so as not to impede the transit of vessels into and out of the marina.

Diving operations will be undertaken during these surveys. Vessels are required to observe any instructions given from the Maintenance Team while operating in these areas.
