Signature (Marine Services Centre)	Date	/	/
------------------------------------	------	---	---

Important Notes

- 1) All waiting lists are size specific, the length of the berth/ mooring required must be entered.
- 2) One application form must be completed per berth/mooring location for each waiting list.
- 3) The £60.00 fee is a one-off administration fee which is non re fundable and does not guarantee the user a berth.
- 4) The allocation fee will be waived when a permanent mooring is offered.
- 5) If you do not hold boat name/reg details yet, please just specify vessel type / dimensions.

General Conditions

- 1) Applications placed onto a waiting list does not give the applicant permission to make use of any berth/mooring, in the specified berth/mooring area or otherwise, until such time a suitable berth/mooring has been issued to the applicant.
- 2) It is the responsibility of the applicant to ensure all contact details are correct, and to inform the Marine Service Centre of any change in details. Failure to maintain correct contact details may result in the applicant being removed from a waiting list, should all reasonable attempts to contact them prove unsuccessful.
- 3) When a suitable berth/mooring becomes available the applicant next in line on the appropriate waiting list will be offered use of the berth/mooring. However, should the applicant not wish to accept the berth/mooring at that time, they will deemed to have refused acceptance and will forfeit their position on the waiting list.
- 4) Applicants may request to be placed at the bottom of the waiting list should they not be ready to accept a suitable berth/mooring at the time of offering. This request must be made in writing.
