

Local Notices to Mariners

LNTM No.	032/2022
Subject	<i>Christmas Day Dive</i>

As is normal for Christmas Day, Guernsey Ports will be allowing diving within the harbour on 25 December 2022.

In order to take advantage of this dispensation to dive within the harbour limits, permission must be obtained from the Harbour Master by 20 December 2022.

The following information will be required:

- Name of Standby vessel
- Contact mobile telephone number/numbers
- Number of divers who will be entering the water on the day
- Number of non-diving boat crew

Divers may dive to the East and South of the red line indicated in the picture attached.

All divers must have a surface marker buoy and be accompanied by their support vessel with marine VHF radio monitoring Guernsey VTS (channel 12) at all times.

Support vessels are to inform Guernsey VTS when divers enter the water and again when they are clear.
